Officially Communicated to Senator Walcott, the American Envoy.

London, Oct. 20.—The reply of the government, made to Senator Walcott, was sent to the Senator on the 20th. The answer, which has been substantially followed by unofficial reports of the decision of the British cabinet at its meeting last Saturday, will express regret at the inability of the government to accede to the proposals of the commission, but will convey the assurance that the government, while refusing to open the Julian mines to the free disposal of silver, is willing to consider any definite proposal emanating from the government of the United States. It will say in substance that the government would be glad to send representatives to another monetary conference on the basis of the monetary conference held at Brussels.

WHY IS IT?

A Few Perinent Questions Addressed to the Register.

WHY ALL THOSE LIES?

Is It Being Used as a Cats-paw, a Political Stop-Barrel, or Is It Just Ignorance?

PERHAPS IT CAN EXPLAIN THAT.

There are in Paducah a great many people who would like to know the reason for the "Register's" policy in regard to the sewerage system now being constructed in Paducah. They would like to be informed of the motives which have led to the construction of the system, and to the statements of the city engineer, and of those who are in a position to know the truth.

MARRIED A NEGRESS.

White and Colored Wedded in Cairo.

A. J. Ross, Esq., returned a marriage license to the county clerk yesterday which certified that he had united in matrimony Jesse Dickson and Pearl A. Boyd, says the Cairo "Argus." The bridegroom is a white man, the bride has negro blood in her veins. The report goes that they were indicted by the late grand jury of the circuit court for living together without marriage, and that to mend the matter and save themselves from further molestation by the strong arm of the law, they sought a legal marriage, and obtained it by license from the county clerk and the official action of Judge Ross.

ELOPED FROM MAYFIELD.

Mr. George Reeves and Miss Ruth Park Married.

They Were United Near Paris, Tenn., Last Night.

Mr. George A. Reeves, a well-known young telegraph operator of Mayfield, and Miss Ruth Park, the pretty daughter of Judge D. G. Park, eloped at Mayfield at noon yesterday, and were married at a little town near Paris, Tenn., last night.

An unsuccessful effort was made to intercept them and prevent the marriage, but without success. Herman Barnett, of Mayfield, was in the city day before yesterday en route to Paris to make arrangements for the marriage when the eloping couple arrived safe in Tennessee.

Mr. and Mrs. Reeves will pass through the city tonight en route home. It was reported from Mayfield today that the young lady's father was on the warpath for his new son-in-law.

APPROACHING MARRIAGE

Of Mr. Henry Beyer and Miss Lattie Rock.

The Ceremony Will Be Performed Next Wednesday at 8 P. M.

Mr. Henry Beyer, the well-known young butcher and Miss Lattie Rock, daughter of Mr. G. G. Rock, of this city, will be united in marriage Wednesday evening, at 8 o'clock, at the residence of the bride at Fifth and Monroe streets.

The marriage has been rumored for some time. It has not yet been decided who will be the best man, the German Evangelical church, of which the couple are members, being without a pastor at present.

Mr. Beyer is a young man of a fine physique and has many friends. The bride is a well-known beauty and a devoted wife. The marriage is expected to be a happy one.

Mr. and Mrs. Beyer will not take a wedding tour, but will reside at the home of the groom in Athens.

USED PARIS GREEN.

Blakely Couple Charged With Attempted Poisoning.

Somewhat of a Sensation Created at Princeton, Ky.

The grand jury in session at Princeton, Caldwell county, returned an indictment against Mat Blakely and Jennie Blakely, charging them with attempting to poison the family of L. V. Pollock, by sprinkling Paris green on a well.

Pollock's wife went to the well for a bucket of water. Nothing peculiar about the water, she said, and her husband and son drank it. On investigation the poison was discovered. The court ordered a bench warrant to be issued against the couple, and they are now in jail.

It is thought other parties are implicated, and a thorough investigation will be had. Pollock is a witness against parties in other indictments now pending, and it is supposed that his first indignation against the couple was the result of the attempted poisoning.

CAPT. FARLEY'S ABLE ARGUMENT.

Remarkable Showing Made By Him Last Night—The Splendid Record of the President Council.

Many Needed Improvements Made, Taxes Reduced, and the Interests of the Taxpayers Guaranteed at Every Point.

The city hall was crowded to its capacity last night to hear the speeches of Capt. Farley and Hon. Josiah Patterson. On account of the fact that two speeches had been billed for the same time and place. Mr. Patterson concluded not to speak, although urged to do so by Capt. Farley, hence it was that Capt. Farley was the only speaker of the evening. Capt. Farley spoke for nearly one hour and his address was very interesting and enthusiastically received. Capt. Farley said:

I come before you this evening as the Republican candidate for mayor, believing that it is your duty that you should have my ideas on city government. Last June the Democrats at a primary election, selected their candidate for mayor, Dr. James Long. The Republican city ticket was nominated at a mass convention in July. The principles laid down in the Democratic platform, if indeed it can be said that they have a platform, are in favor of free silver. A rival candidate for mayor who did not believe in that idea was defeated at the primary. The convention that nominated me was in favor of good government and a progressive and economical administration of our municipal affairs. I stand squarely on that platform. I hoped to meet my opponent here, who might have won the election, but he was not here. I have been asked by Mr. Long by mail to divide the issue with me in front of the city hall. I have no objection to that, but I will not even acknowledge the result of my election; however, I am under the impression that he failed to get there, although they were seen by me, for I cannot conceive how a gentleman would fail to acknowledge their receipt, if no longer mine.

On the Republican city ticket are five members of the present council; hence it is a most reasonable as well as a true conclusion that the new Republican council would continue the policy of the present council. On the Democratic ticket are four members of the last Democratic council, and therefore it is perfectly fair to conclude that should the Democratic ticket be elected that the policy of that council would again be adopted in the management of our municipal affairs.

Such being the personnel of the two tickets, let us compare the records of the last two councils and see which one has been the best for the city and which one we desire to re-elect our city affairs for the next two years.

The average tax levy for the last two years, the two years of Republican administration, has been \$1.40 on the \$100 including the unusual amount of \$0.05 on the \$100 for the school year and \$0.05 on the \$100 for sewer purposes while the average tax levy for the four preceding years, which were under Democratic administration, was \$1.45 on the \$100, with but \$0.05 on the \$100 for school purposes and nothing for sewers.

Such is the record as to taxes. Now as to the manner in which the money was expended. When the Republican took charge of the city, they found our streets full of holes and actually unsafe for travel in many places; we found the fire department almost in a state of confusion; almost worthless as a fire engine; almost worthless as a fire engine; almost worthless as a fire engine.

The City Fire Engine, which was actually in a state of confusion, was a state of confusion for money and the fire engine was a state of confusion for money and the fire engine was a state of confusion for money.

MRS. J. W. BUEL

Dies at the Home of Relatives in Golconda.

WELL ADVANCED IN YEARS.

Wife of One of the Most Celebrated Historical Writers in America.

LIVED AT ST. LOUIS—MR. BUEL NOTIFIED

Mr. James W. Buel, wife of the celebrated historical writer of St. Louis, died at Golconda yesterday morning, after a lengthy illness of a complication of diseases.

Her husband, Gen. Buel, was in Philadelphia when the death of his wife took place, but was notified as soon as a telegraph station could be reached.

Mrs. Buel was well along in years, having grown children. For several years past her health had been bad, and last spring she was carried to Golconda by her husband to see if the quiet, unostentatious life would benefit her. She had been living there with her husband's sister ever since early spring.

Mrs. Buel was a valuable assistant to her husband, being literary in her tendencies. Mr. Buel is connected with the Historical Publication Society at St. Louis and has a handsome home.

He has made several tours of the world, he wrote a life of Blaine and Logan, wrote several stories of exile life in Siberia, and many other historical productions. He is known all over the country as a writer of ability, and will have the sympathy of thousands of friends and acquaintances in his sad bereavement.

The remains of Mrs. Buel will not be taken to St. Louis for interment.

A BORN HUSTLER.

A Compliment to a Business Man Well Known in This City.

Mr. W. Fred Long May Be the Republican Congressional Nominee in the Body Third.

The Louisville "Post" of yesterday has the following item about a man well known in this city:

If there was ever a born hustler it is W. Fred Long, the young traveling agent for the National Building and Loan Association, of this city. Mr. Long is a native of the county of Butler, and his home is in that famous old fishing village, Rockcastle.

This young "fly" is not only a good nose for news, being able to size up a good item as readily as a trained reporter, but he has a faultless memory and never forgets a thing he wants to remember. He has a long list of names of people who have been picked up during his travels in Kentucky. He also knows the history of every point of interest in the counties visited by him during the past three or four years.

Apocryphos of Long is the rumor that his friend in his bullwhip has determined that he shall be given the Republican nomination for Congress in the Third district next year or when the war in the east of the man who does receive that honor. The younger blood in his party say he is the best blood that is needed in the G. O. P. to give it a new lease on life.

While the above rumor is news to Mr. Long's many friends in Paducah it can be readily believed. Mr. Long would make a splendid nominee. He is a loyal Republican and a thorough hustler and business man. The old Third district would be well represented by Mr. Long.

ALL RECORDS BROKEN.

Pay Day Was a Quiet and Uneventful One.

Office Crow reported at police headquarters yesterday that pay day on the 1. O. day before yesterday, broke all previous records for peace and quietness at Fourth and Washington.

Usually after the railroad men get their pay money begins to circulate and beer to flow in ceaseless streams. Yesterday and day before, however, not a drunken man or woman was to be found anywhere, and not a drop of beer was to be seen.

"Senator" Ed Lambdin is officially ill at Capt. W. F. Lambdin's, on North Fourth street, of dropsy, and is not recovering.
